Summer Dance 2025

Has your child expressed a desire to dance? Try it out this summer! Tap/Ballet combos consist of ballet (with some basic tumbling) and tap (with some singing) in a fun and wholesome environment. Lyrical is a mix of ballet & jazz that interprets the lyrics of a song. Musical theatre is a mix of singing, acting, movement focusing on performance skills. These classes will also prepare your child for our fall dance classes so they have a smooth transition into the 2025 – 2026 dance season!
