

YOU ARE INVITED TO JOIN

THE COTILLION FUN! 2023/2024

This program has been specifically designed for sixth graders with skills they will use for the rest of their lives:

- *Communication skills, knowledge of basic dance styles, including a fall Fifties night in November, and a Country Western night in February.*
- *Each class learns to change partners constantly and gives our students an opportunity to meet friends from other schools.*
- *Our teaching methods include practicing good social skills and a little "fine dining" thrown in when we serve cookies with the punch.*
- *Dress codes are important to teach proper attire which is age appropriate.*
- ***Young ladies must wear dresses or skirts - NO long pants, shorts with back skirt, pant dresses or coulottes (exception: Fifties night and Country Western night jeans are allowed).** No strapless dresses or high heels. No flip flops are allowed.*
- *Young gentlemen must wear dress shirts and pants (jeans on Fifties and Country Western nights). No athletic shoes! No white athletic socks or bare feet. Ties must be worn to each class and coats & ties will be required for the final Spring Fling party.*

We have discovered that Cotillion is the perfect answer to the sixth grader's desire for social activity, but in a structured and comfortable atmosphere. We would like to invite your child to be a part of this fun, exciting program this year.

To enroll, fill out the enclosed form and return to the studio after May 1, 2023. If you have friends who did not receive this invitation, feel free to copy and share it with them.

Tuition for the year is \$200.00 for six one and a half hour lessons plus a final Spring Fling party.

- **A \$100.00 non-refundable deposit is due with your registration. This will be applied to your tuition which is due in full at the first class in September.**
- *Payment plans are available; please contact our office.*
- *Classes are limited and must have an equal number of girls and boys. Enrollments will be placed on a wait list if the class ratio of boys to girls is very uneven (ex: 4 boys enrolled vs. 20 girls enrolled in the same class.) You will be notified when your student is accepted in class.*

We look forward to hearing from you!!
